

RESIDENTIAL LIFE

MedQuest is a well-structured and diverse program, supported by highly qualified faculty and staff, ensuring a valuable educational and pre-professional experience.

Students and MedQuest program staff stay in the dormitories on a college campus, where participants will experience what residential life on a college campus is like.

STAFF

MedQuest 2020, Northern Vermont AHEC's 21st annual summer health careers exploration program, is led by staff who have extensive experience working with youth and career exploration. Supervision and leadership are also provided by health professions graduate students in a variety of disciplines, who serve as mentors during the week and are present with the students 24 hours a day.

MEDQUEST IS MADE POSSIBLE BY THE GENEROUS SUPPORT OF:

Larner College of Medicine at UVM,
Vermont Department of Health,
UVM Medical Center,
Central Vermont Medical Center,
North Country Hospital,
Northeastern VT Regional Hospital,
and a grant from the
Partnerships to Achieve
Health Equity
Program.
