

The GOVERNOR'S INSTITUTES of VERMONT

Find Your CALLING!

The Health & Medicine Institute

July 9th – July 15th, 2023

@ Vermont State University

Lyndon, VT

READY TO LEARN THE SCIENCE OF SAVING LIVES?

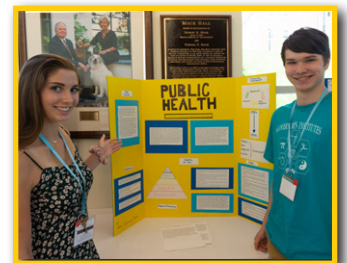

Step into the world of health care with the GIV Health & Medicine Institute! You will learn clinical skills like **diagnostic reasoning**, **assessing patients**, **responding to medical emergencies**, and **communicating effectively** on a team. Sessions span the fields of nursing, medicine, psychology, clinical lab science, and biomedical engineering. Hands-on activities, scenario-based learning, and interactive case discussions lead to CPR and First Aid certifications.

Produced in partnership with Northern Vermont AHEC.

At this Institute you will...

- ◀ Explore careers in nursing, health science, research and medicine.
- ◀ Practice hands-on medical skills like assessing vital signs and interviewing patients.
- ◀ Earn certifications in CPR and First Aid.
- ◀ Choose from a variety of hands-on lab activities and workshops led by health professionals and college faculty.
- ◀ Work closely with medical student mentors throughout the week.
- ◀ Have the time of your life!

Open to all Vermont 9th, 10th, & 11th graders.

Tuition starting as low as \$10.
