

HERO

Health **E**xploration **R**esources & **O**pportunities

Are you:

- ⇒ Interested in science and technology?
- ⇒ Considering a career in health or medicine?
- ⇒ Curious about biology, illness, and emerging topics in medical science?
- ⇒ Planning for college or technical training after high school?

The HERO Mentoring program is a fully online health science enrichment and career exploration opportunity for high school students. Medical student mentors lead activities on anatomy, physiology, and pathology.

Mentors can provide tutoring, advising, and connection as a fellow health science enthusiast.

Participants in the HERO program have access to other resources from Northern Vermont AHEC:

- ◆ The VTHealthCareers.org career exploration website
- ◆ Pathful Explore™ Online Career Planning Tools
- ◆ Personalized health career counseling with AHEC's expert staff
- ◆ *Go Big* Webinars on Public and Population Health Topics
- ◆ Advance notice of upcoming opportunities related to health and medicine

Applications open in August and are due Thursday, September 21, 2023!

For more information about HERO, contact Program Director, Lanie Billings: lbillings@nvtahec.org or scan this QR code.
