The Blue Cat: A Lovely Central Vermont Escape

<https://www.airbnb.com/rooms/50050431>

Randolph - \$85/night - approx. 4.7 miles (8-minute drive) from Gifford Primary Care

With a private entrance & 2nd story location, this 2-room, 1-bath suite offers views of the sunrise & sunset, park-like gardens, valley & mountains in the heart of Vermont. The bedroom features a comfortable memory/coil combo mattress, black-out curtains, desk workspace with high speed WiFi, and original art. The first-floor resident is restoring the property's landscape & gardens as a bird sanctuary & quiet respite of living art and color. Other items to note: This is a fairly rural location, and the property does include a flock of chickens, including two roosters, who are known to announce the start of day. Bruno the watchdog lives on the first floor and will likely bark as you enter or leave. He settles rather quickly after announcing his presence, so don't worry about noisemaking (yours or his). Small kitchen with mini fridge and stove
